SAILING HISTORY:

As a prudent seasoned mariner; I started sailing in the Pacific Northwest at the age of 19 on my first boat a Hobie 16. At 23 I crewed double handed a 35' trimaran from California to the Sea of Cortez in Mexico and cruised for a year before sailing back to California. A trip of 5000 miles. My next boat an Ericson 27 I lived on and sailed to the Chanel islands regularly for 5 years before moving to the San Francisco Bay Area. I cruised and raced extensively at a high level on my Express 27 as well as many other larger race boats doing many offshore races and deliveries from southern California and the San Francisco Bay for the next 32 years before buying my current boat in Bocas del Toro Panama. My current boat which I live on is a 45' custom Marples design trimaran.

EDUCATION:

Sierra College. Completed EMT 1 certification training

MPT Maritime Academy. Completed intensive 10 day course passing 100 ton captains test with a 97%

After submitting documentation of 720 days of sea time I received my captains license

MPT Maritime Academy. Completed STCW training including fire fighting, first aid training and rescue and survival training.

MPT Maritime Academy. Completed FCC Radio training and received certification

MPT Maritime Academy. Completed USCG Sailing endorsement and received certification

SKILL SET:

Seasoned Captain, Excellent navigation skills, great cook, very experienced scuba diver and UW videographer, excellent repair skills, knowledgeable rigging skills, good communication and conflict resolution skills.
